

Alaska-Yukon Wood Energy Conference

Biomass Heating for the North POST-Conference Field Trip Agenda

We are pleased to announce the opportunity to participate in the Alaska-Yukon Wood Energy POST-Conference Field Trip, Alaska. The purpose of this field trip is to showcase some of Alaska's Successful Installed Biomass Systems between Tok and Fairbanks. Participants will pay for their own for lodging and meals. We will offer transportation and program materials for the field trip, including case studies, and background information.
